

Nr.crt.	Nr. matricol	Organe de masini II														Med an III	K	Restante
		Metoda elementului finit																
		Electrotehnică																
		Bazele ingineriei autovehiculelor																
Dinamica autovehiculelor																		
Informatica aplicata																		
Limba moderna 1																		
Actionari hidraulice si pneumatice																		
Bazele m.a.i. I																		
Sistemele autovehiculelor																		
Sisteme de alimentare cu combustibili																		
Electronica aplicata																		
Încercarea m.a.i.																		
Practica de specialitate (90 ore)
