

Nr crt	Nr. matricol	Sisteme de achizitie si interfete															Med.an IV	K	Restante	
		Echipamente periferice si birotica																		
		Proiectarea sistemelor mecatronice																		
		Dinamica sistemelor mecatronice																		
Acționarea sistemelor mecatronice																				
Mecatronica automobilului																				
Limba engleză 2																				
Practica pt elaborarea proiectului de diploma 1																				
Tehnologii de prelucrare																				
Ingineria calitatii																				
Automatizari pneumatice si hidraulica																				
Soft pentru sisteme mecatronice																				
Calculul si constructia sistemelor mecatronice																				
Limba engleza 3																				
Practica pt elaborarea proiectului de diploma 2																				
Elaborarea proiectului de diploma																				
Med.an IV
